Feedback Action Taken & Analysis Report 2021-22

Students' Feedback is very important for our institution, because they are the chief stakeholders. Annual activity of obtaining relevant data was carried out. Students of the final year in each department was selected, for the purpose of achieving appropriate outcome of students' feedback. The questionnaire was framed to include feedback about each curriculum 20 multiple choice questions (MCQs) were framed with 4 option each. Systematic tabulation of data as done department wise & analysis was carried out.

Students were satisfied with the regularity & punctuality of 96 % of the teachers for the lectures. Teachers prepared for the classes & communicated very effectively with the students. All of the teachers use ICT Tools for the teaching. Majority of students had no problem with the quality of internal assessment process. There is very good teacher — student relationship & rapport due to attention of teachers towards students' competencies & future career. Students are satisfied with the encouragements given to them by teachers for extracurricular activities.

Students' satisfaction about the library is quite good, though some of them wanted to have more time for the book access. 80% students opined those sufficient books, magazines etc. are available in the library. Curriculum is considered to be very good by majority of the students. 100 % students have had enough practical / tutorials per week. There appears to be need for improvement in computer, internet since 96% students considered them to be average.

To sum up, students' feedback for the session 2021-22- is very good, with scope for more student-oriented improvements in tune with changing times & needs, in near future.

The report for 2021-22- has been prepared by coordinated work of the members of Students' Feedback Committee.
